Welcome

On behalf of the organising committee and The Tax Institute, it is our pleasure to invite you to the inaugural SA Tax Forum on 23-24 March 2022. Featuring an exciting new format, the event will be held in the idyllic surrounds of the Adelaide Oval, on the doorstep of Adelaide's CBD.

This event is set to become one of Adelaide's premier events for tax professionals and will provide a forum for delegates to stay up to date on the latest issues and connect with your peers.

Why you should attend?

The 2022 program includes:

- An outstanding line-up of local and interstate speakers
- Practical technical sessions for tax professionals with an emphasis on “real-world” application
- Tailor your CPD journey with both a SME and Hot Topic stream
- Opportunities to network and exchange ideas with peers and tax experts, including the welcome reception at the Pavilion overlooking Adelaide Oval's historic arches.

The program covers a range of tax issues that confront us in the ever-changing environment we work in. With an emphasis on the practical resolution of issues, we'll look at such areas as the latest developments in structuring professional practices, hear about the challenging employment tax issues faced by employers operating a mobile workforce and provide advanced strategies for dealing with trust structures and small business CGT concessions.

The program will also provide an opportunity to learn about the important issue of mental health in the workplace.
